Decision of the European Banking Authority EBA/DC/462

of 25 July 2022

concerning the consultation process under Article 26e (10) of Regulation (EU) No 2017/2402

The Board of Supervisors

Having regard to

- (1) Regulation (EU) No 1093/2010 of the European Parliament and of the Council of 24 November 2010 establishing a European Supervisory Authority (European Banking Authority) ('EBA'), amending Decision No 716/2009/EC1 and repealing Commission Decision 2009/78/EC1 (hereafter, the 'EBA Regulation'¹), in particular Articles 2 (4) and 41 (1) thereof,
- (2) Regulation (EU) No 2017/2402 of the European Parliament and of the Council of 12 December 2017 laying down a general framework for securitisation and creating a specific framework for simple, transparent and standardised securitisation, and amending Directives 2009/65/EC, 2009/138/EC and 2011/61/EU and Regulations (EC) No 1060/2009 and (EU) No 648/2012 (hereafter, the 'Securitisation Regulation'²), in particular Article 26e (10) thereof,

Whereas:

- (1) As part of the Capital Markets Recovery Package, the Securitisation Regulation has set out the regulatory framework of on-balance-sheet securitisations and the criteria for simplicity, transparency, standardisation (hereafter, the 'STS'), as well as, for credit protection agreements.
- (2) Pursuant to Article 26e (10) first subparagraph of the Securitisation Regulation, the credit protection referred to in Article 26e (8) (c) of that Regulation must meet the condition that the originator as protection buyer and the investors as protection sellers must have recourse to high quality collateral in order to qualify as STS on-balance-sheet securitisation. By way of

¹ OJ L 331, 15.12.2010, p. 12

² OJ L 347, 28.12.2017, p. 35-80

derogation from that provision and under the conditions as set out in Article 26e (10) second subparagraph of the Securitisation Regulation only the originator may have recourse to high quality collateral in the form of cash on deposit with the originator, or one of its affiliates, if the originator or one of its affiliates qualifies as a minimum for credit quality step 2.

- (3) In accordance with Article 26e (10) third subparagraph of the Securitisation Regulation competent authorities may, after consulting EBA, allow collateral in the form of cash on deposit with the originator, or one of its affiliates, if the originator or one of its affiliates qualifies for credit quality step 3 and under the conditions thereon.
- (4) It is necessary to establish the rules concerning the procedure for consultation between the competent authority concerned and the EBA to enable the latter to express a properly informed view on the subject matter of the consultation exercise.
- (5) As the EBA may be required to express its opinion regarding a substantial number of consultations which require complex technical assessments, those opinions should be prepared by the EBA Standing Committee on Regulation and Policy (hereafter 'SCRePol'). To facilitate the decision-making process, a delegation to SCRePol is necessary in relation to the adoption of such opinions, subject to appropriate mechanisms for escalation to and oversight by the Board of Supervisors.

Has decided as follows:

In accordance with Article 41 (1) of the EBA Regulation, the Board of Supervisors delegates to SCRePol the adoption of opinions pursuant to Article 29 (1) (a) of the EBA Regulation in response to consultations received from competent authorities pursuant to Article 26e (10) of the Securitisation Regulation.
2. The opinions shall be adopted on behalf of and under the responsibility of the Board of Supervisors and signed by the Chair or a co-Chair of SCRePol.
3. The delegation referred to in paragraph 1 is subject to the conditions and oversight arrangements set out in Article 3. The delegation may be terminated at any time by the Board of Supervisors.

Article 3 – Adoption of the opinion

1. The proposed draft opinion shall be submitted to SCRePol for agreement. Members of SCRePol shall strive for consensus when adopting the opinion.
